

EASY WAYS TO

ENGAGE

IN GOVERNMENT

Be heard.

80% of decisions are made by those who show up.

Decisions that impact you are being made on a daily basis - at your town board, your state capitol and Washington DC.

One question or comment from you can change everything.

Come learn these easy first steps including:

- ★ Where your voice can be heard in the levels of government
- ★ How to become an educated voter and voice
- ★ Case Study: Gundersen Health System will showcase their successful advocating for local businesses
