

X·CORE LA CROSSE

Leading Others Starts with Leading Yourself

Strengthen Your “Core” Leadership Capacity · Multiply (X) Transformation Into Others
· Leave a Legacy of Impact and Influence

*“...This is much more than a leadership program. It will change your life.”
- Mickey Daniell, Southern Company*

This Leadership Program Starts October 2016

GiANT Worldwide is bringing its global leader development program from London and Atlanta to La Crosse! You’re invited to join us for a year of personal and professional development. Come experience the program top leaders from around the world use to increase their influence and lead at the next level.

4 QUARTERLY RETREATS

Each of the 4 retreats introduce brand new concepts and tools. They are also an opportunity to bring everyone from all of the groups together to interact, build relationships and learn new leadership principles.

1:1 COACHING

Experience tells us that retreats alone are not enough to create lasting transformation. We provide one-to-one coaching opportunities each month that allow you to go deeper and apply the learning directly to your life.

MONTHLY COACHING GROUPS

CORE Groups create a safe environment for peer accountability and encouragement. Each group of 6 – 8 members meets twice a month online to share experiences and reinforce the learning from the previous retreat.

GIANT'S LEADERSHIP TOOLKIT

Access to the GiANT vault of online resources. We will provide you with every resource you need to take your learning back to your team. This will include videos, workbooks, presentations, and tools.
